Subject: Travel Allowances for Coastal Patrol Personnel -
Operations Directive No. 19

To: Commanding Officers, All CAP Coastal Patrols

1. As announced in paragraph 26 of Operations Directive No. 23 - Task Forces on Coastal Patrol Duty - travel allowances for personnel ordered to duty with Coastal Patrols and the procedure to be followed in submitting vouchers therefor will be set forth in Operations Directive No. 19, to be issued by National Headquarters.

2. Unexpected complications have been encountered in clearing the legal technicalities involved in setting up the procedure to be followed in connection with travel allowances and reimbursements.

3. It now appears that a solution to the problem is fairly imminent and that definite advice concerning the procedure to be followed can very likely be given within two weeks.

By direction of National Commander JOHNSON:

HARRY H. BREE
Colonel, Army Air Forces
Operations Officer
